

PRIMA DONNA 3

2009 brings JN's third model of their freestyle Prima Donna kite.

With an all new efficient profile design the PD3 has a breath taking performance in all conditions. This year sees even more attention to detail and high end manufacturing, as well as a new distinctive graphic design.

- Increased punch for powerful unhooked wakestyle
- Faster turning speed in the larger sizes
- Constant and stable for technical freestyle
- Huge lift and extended hangtime
- Improved wind range at both high end and low end
- Designed for maximum durability & minimal weight
- 5th line for unbeatable safety
- Single point inflation
- Balanced bar pressure with perfect feedback
- Sizes: 5.5m, 7m, 9m, 11m, 13m, 15m
